CITY OF
Coweta
POST OFFICE BOX 850 • COWETA, OKLAHOMA 74429 • PH. (918) 486-2189 • FAX (918) 486-5366 • www.cityofcoweta-ok.gov

Memorandum

To: Honorable Mayor/Chairman and City Council/Board of Trustees
From: Julie Casteen, City/Trust Manager
Re: Solid Waste and Recycling Services Contract
Date: May 13, 2024

BACKGROUND

Over the last several years, the PWA has experienced challenges in providing solid waste services. It is often difficult to find employees willing to work a labor-intensive job at the wages we are able to provide. In addition, maintaining our fleet of three refuse trucks is difficult and costly. Furthermore, new subdivisions being added creates the need for additional refuse trucks and personnel to serve our growing community.

Recognizing the importance of the public's goals and interest in the health and public welfare of the City of Coweta and its citizens, staff has explored the option of implementing a recycling program that incorporates all aspects of solid waste collection and management within the City, including generation, recycling and disposal.

A Request for Proposals (RFP) was published on March 13, 2024.

Two contractors submitted bids on April 4, 2024. The bid tabulation indicates American Waste Control, Inc. is the lowest cost bidder. City facilities, except for sludge removal, would be provided at no cost.

All citizens will be provided with two polycarts: one for garbage, and one for recycling. All recycling is mixed together in the polycart and later sorted at the Mr. Murph sorting facility, meaning citizens will not be required to sort their recycling. Central Disposal, the high bidder, submitted a "No Bid" for recycling services.

To keep costs down, American Waste Control ("AWC") has agreed to purchase all the Solid Waste equipment from the Coweta Public Works Authority. The agreement will cover a 10-year period due to the high startup costs to begin new service.

Several cities in our area use AWC and they have a strong reputation in the industry for providing excellent service and commitment to the communities that they serve.

STAFF RECOMMENDATION

Staff recommends the award of a bid to American Waste Control Inc., the lowest responsible bidder, for solid waste and recycling collection, removal and disposal services, subject to the execution of a contract as approved by the City/Trust Manager and the City/Trust Authority.
