Memorandum

To: Honorable Chairman, Members of the Planning Commission
From: Tom E Young Jr - City Planner
Carolyn Back – Community Development Director
Re: Case Number: CZ 24-06
Date: 10-21-2024

BACKGROUND

Applicant

Withco Properties, LLC, for the property owner, are seeking to amend the zoning map. The request is to rezone from a Residential Single Family (RS-3) district to a medium density Residential Multi-Family (RM-1) district.

Case Facts

- The property is located at 117 West Oak Street, in Section 18, Township 17 North, Range 16 East of the Indian Base and Meridian.
- The property is currently zoned (RS-3) Residential Single Family.
- Surrounding land use is Residential Single-Family (RS-3), Office and Institutional (O), and General Commercial (CG)

The City of Coweta Comprehensive Plan and Proposed Land Use 2020-2030 Map designate this lot for low-intensity residential use.

Existing Land Use	Existing Zoning
RS-3 Residential Single Family	RS-3
Surrounding Land Use	Surrounding Zoning
North: Residential	RS-3
East: General Commercial	CG
South: Residential	RS-3
West: Residential	RS-3

- Legal description: Lots 8, 9, and 10, in Block 24, Town of New Coweta, Wagoner County, State of Oklahoma.

Pertinent Zoning Code

- A rezoning request must determine whether the proposed land use, if implemented, would be compatible with the surrounding area in the manner contemplated by the Comprehensive Plan.
- Staff finds this rezone request to be in accordance with the general objectives of the City of Coweta Comprehensive Plan for a property abutting the Downtown Area but would require a

Proposed Land Use Map amendment. An RM-1 (Residential Multi-Family) district used as a transition between the Low Intensity area of single-family residential and the adjacent higher intensity areas of General Commercial. A multi-family use could be held in accordance with the Low Intensity Plan category.

- In general, the zoning change would be compatible with the surrounding area in the manner contemplated by the Comprehensive Plan for a Medium Intensity Residential Use.
- Specifically, its current location abutting General Commercial (CG) zoning, and being across the street from the Comprehensive Plan designation of Medium Intensity Residential Use, (which overlays most of our downtown area), makes a strong case for the requested rezone.

Should the Planning Commission approve this rezone request, a revision to the Coweta Comprehensive Plan Future Land Use Maps would be required from Residential Low to Residential Medium Density.

City Staff will be updating the Comprehensive Plan Future Land Use Maps to cover previously approved rezone applications and will include this rezone, if approved.

12-3C-2-3 Planning Commission Action

1. After notice and public hearing, the Planning Commission shall vote to:
 1. Recommend to the City Council that the application be approved as submitted, or as amended, or be approved subject to modification; or
 2. Recommend to the City Council that the application be denied.

PLANNING COMMISSION ACTION

The Planning Commission may make a recommendation of approval, approval with modifications, or denial of the rezone request to the Coweta City Council.

STAFF RECOMMENDATION

Staff recommends the Planning Commission make a recommendation of approval to the Coweta City Council of the rezone request from Residential Single-Family (RS-3) district to the Residential Multi-Family (RM-1) district.

Memorandum

To: Honorable Chairman, Members of the Planning Commission
From: Tom E Young Jr - City Planner
Carolyn Back – Community Development Director
Re: Case Number: CZ 24-06
Date: 10-21-2024

BACKGROUND

Applicant

Withco Properties, LLC, for the property owner, are seeking to amend the zoning map. The request is to rezone from a Residential Single Family (RS-3) district to a medium density Residential Multi-Family (RM-1) district.

Case Facts

- The property is located at 117 West Oak Street, in Section 18, Township 17 North, Range 16 East of the Indian Base and Meridian.
- The property is currently zoned (RS-3) Residential Single Family.
- Surrounding land use is Residential Single-Family (RS-3), Office and Institutional (O), and General Commercial (CG)

The City of Coweta Comprehensive Plan and Proposed Land Use 2020-2030 Map designate this lot for low-intensity residential use.

Existing Land Use	Existing Zoning
RS-3 Residential Single Family	RS-3
Surrounding Land Use	Surrounding Zoning
North: Residential	RS-3
East: General Commercial	CG
South: Residential	RS-3
West: Residential	RS-3

- Legal description: Lots 8, 9, and 10, in Block 24, Town of New Coweta, Wagoner County, State of Oklahoma.

Pertinent Zoning Code

- A rezoning request must determine whether the proposed land use, if implemented, would be compatible with the surrounding area in the manner contemplated by the Comprehensive Plan.
- Staff finds this rezone request to be in accordance with the general objectives of the City of Coweta Comprehensive Plan for a property abutting the Downtown Area but would require a

Proposed Land Use Map amendment. An RM-1 (Residential Multi-Family) district used as a transition between the Low Intensity area of single-family residential and the adjacent higher intensity areas of General Commercial. A multi-family use could be held in accordance with the Low Intensity Plan category.

- In general, the zoning change would be compatible with the surrounding area in the manner contemplated by the Comprehensive Plan for a Medium Intensity Residential Use.
- Specifically, its current location abutting General Commercial (CG) zoning, and being across the street from the Comprehensive Plan designation of Medium Intensity Residential Use, (which overlays most of our downtown area), makes a strong case for the requested rezone.

Should the Planning Commission approve this rezone request, a revision to the Coweta Comprehensive Plan Future Land Use Maps would be required from Residential Low to Residential Medium Density.

City Staff will be updating the Comprehensive Plan Future Land Use Maps to cover previously approved rezone applications and will include this rezone, if approved.

12-3C-2-3 Planning Commission Action

1. After notice and public hearing, the Planning Commission shall vote to:
 1. Recommend to the City Council that the application be approved as submitted, or as amended, or be approved subject to modification; or
 2. Recommend to the City Council that the application be denied.

PLANNING COMMISSION ACTION

The Planning Commission may make a recommendation of approval, approval with modifications, or denial of the rezone request to the Coweta City Council.

STAFF RECOMMENDATION

Staff recommends the Planning Commission make a recommendation of approval to the Coweta City Council of the rezone request from Residential Single-Family (RS-3) district to the Residential Multi-Family (RM-1) district.
